I agree it is my sole responsibility to be familiar with the course, the rules, and any special regulation for the event. I understand and agree that situations may arise during the ride which may be beyond the immediate control of the ride officials or organizers, and I must continually ride so as to neither damage myself or others. I further agree that if I choose to participate in this ride and not wear an approved helmet, I could be subjected to serious head injury and I therefore assume all responsibility and liability for injuries arising from failure to do so.

I agree, myself, my heirs, administrators, legal representatives and successors and assigns, that the above representatives are contractually binding and are not mere recitals, and that should I or my successors assert my claim in contravention of this agreement, I or my successors shall be liable for all expenses (including legal fees) incurred on such claim for willful or wanton negligence.
